Attention Arun Planning

Dear sir/ Madam

RE No 28 Highfield Road Bognor Regis

Please find attached a full planning application for change of use on the above property following the recent changes in legislation. I purchased the property with the intention of providing student accommodation for the University.

In support of my application, I would like to add the following comments:

1. Highfield road has a mix of detached, terraced and converted properties with no predominant ownership profile.
2. A letter from Chichester University indicating the need for additional student accommodation in Bognor Regis.
3. Following a recent Landlord meeting at the University, I have included an extract from the presentation material that indicates the growth requirement for additional non-campus accommodation to support the growth of the student population over the next five years.
4. Prior to purchase, I have obtained full reports from the University Accommodation Team and Christian Melgar from the Environmental Dept at Arun.
5. I confirm my intention to comply with the Arun Landlord Accreditation scheme requirements on this property.

Please do not hesitate to contact me on my home number 01243583149 or my mobile 07540493417

Mr and Mrs Wilson
27 Roundle Ave
Felpham
Bognor Regis
PO22 8LL

Dear Mr and Mrs Wilson,

Further to previous conversations, I write to you to confirm the University actively supports appropriate third parties increasing the off-campus housing provision for our students. Evidence of this includes; promoting homestay and private landlord evenings on a regular basis; supporting the Chichester and Arun District housing Accreditation Scheme, which ensures landlords operate their property/ies in a manner that exceeds the Housing Act requirements and; the production of landlord "starter pack", to encourage landlords to purchase student housing.

When the students arrive at Chichester they will require an appropriate housing provision. Indeed, without it research has shown a student's overall "learning" experience is greatly impacted. Both councils have been very supportive of this need in the past recognising the importance this sector of the population adds to a community, both financially and culturally.

The property, 28 Highfield Road, Bognor, is an ideal property for students in terms of location and functionality. All of the bedrooms are equally sized with bathroom facilities providing the adequate ratio of bathrooms to people. A representative from the Accommodation Office at the University has inspected the property and once Accreditation specification is met we will happily rent the property to our students.

I hope you are given full support with your new purchase and are able to help supplement the demand for student accommodation.

Yours
vices
