Subject: BR/144/19/PL Planning application complain Deadline 20/06/2019

Dear Mr Davis

We have bought our house 12 years ago,
being neighbours with Unit 5, Dickinson Place, Bognor Regis, West Sussex, PO229QU.

There is a new owner from the past few years and now there is too much noise coming from this Unit. We had a lot of overspray fumes in our garden which is harmful for us and the environment.
We had to take the childrens inside because it was very unpleasant in the garden(last year).

Finally, they are planning to make extension.
Adding a wall at the back of our Garden will close the space.
Together with my partner, we do not agree for this to happen as it encloses and makes us feel closed in, invading our space.

Best Regards
P. Zaborowski
