Dear Sir or Madam,

We have been advised to seek guidance from the Arun District Planning office to establish if our company need to submit a full planning application for installing a maximum of three flues (ducts) through the roof of our existing building Unit 1.

We were advised the means of establishing this was by submission of a Lawful development application, under existing use. We await your guidance at the earliest opportunity.

Yours Faithfully,

Mr N. Geall,

CPR Managing Director.
