Dear Leeza,

Please see WSCC Highways comments which are also available to view on our website. Can you respond to the points raised. Aside from this, I have no major planning concerns with the scheme. However, I would like to know what the proposed bin/cycle stores will look like and if one or both will be a wooden structure then I would not consider it appropriate to sit within the front garden area of the site. There do not seem to be any other similar structures in the street scene.

Kind Regards
