Dear Sir/Madam,

Re: Application to discharge S106 - BR/120/11/

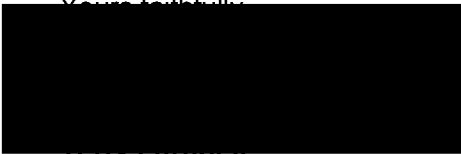

It has recently come to our attention that the S106 Affordable Housing Contribution dated 2/8/11 is outstanding on the above development.

As a small scale local developer we would very much welcome a discharge of the obligation as the charge in question would be a real burden to a company of our size. A discharge would also be in accordance with the change in policy implemented by Parliament in November 2014 for small scale developments such as this.

Therefore we would be very grateful if you would accept the attached application to Modify or Discharge a Planning Obligation. I have tried to include as much information as possible, though if there is anything else that I can provide then please feel free to contact me.

I trust that this will be acceptable to you and look forward to your reply.

Yours faithfully,

Terry Farndell
