

Economic Development Statement

34 Sudley Road Bognor Regis

The above property had a current use as an office from 1990 until 2018 when the business moved from the property. The building has been unoccupied for the last 8 years and has been granted permission twice for conversion since that date. Since the most recent application in 2020 the second floor has been completed and the first and second have been partially converted 6 years ago, thus no loss of employment.
