Dear Stephen,

Please see attached the comments of the Highways on provided Travel Plan.

This is also to inform you that in accordance with the Conservation of Habitats & Species Regulations 2017 (as amended), Natural England must be consulted on any appropriate assessment Council may decide to make. This is because Natural England notes that the recent People Over Wind Ruling by the Court of Justice of the European Union concluded that, when interpreting article 6(3) of the Habitats Directive, it is not appropriate when determining whether or not a plan or project is likely to have a significant effect on a site and requires an appropriate assessment, to take account of measures intended to avoid or reduce the harmful effects of the plan or project on that site.

Therefore an appropriate assessment has been sent to NE for their comment.

For the above reasons I would like to ask you for a confirmation of EoT with a new deadline on 11 November 2020.

Kind regards

Maria
