BR/148/18/L
The White Tower 16 Aldwick Road Bognor Regis PO21 2LP

The proposal is to introduce a (commemorative) blue plaque to the front elevation of the tower. The blue plaque system is one of the most effective and visible means of celebrating local history. The introduction of such a plaque on this locally prominent building is supported.

While the plaques are relatively small in size, high standards are desirable in all aspects of the work involved; this is especially the case with regard to plaque design, positioning and inscription.

The proposed plaque is considered to be acceptable in terms of its design, location and materials, and is supported. It is therefore in accordance with policies HER SP1: The Historic Environment and HER DM1: Listed Buildings, of the adopted Arun Local Plan (2011-31).
