Hello

Sorry for the confusion surrounding this application as in your attached email you had used this reference number and I then received an email from a Joanna Wilson quoting the same reference number however I spoke to her on the phone yesterday and it appears it was for a different application with a different reference number.

All that we require for this application now is the proposed floor plans and elevations.

Kind Regards

Sian

Good evening

I sent you the updated Location Map and Block Plan that you requested on 23rd May, in the previous email, I've attached them again. For some reason the applicant has received a letter from Sian Eggington of Terraquest stating that I have informed them that I am not acting as their agent. This is not the case. I have informed Sian that I am not an Agent but this was for a different property.

I would be very grateful if someone could register this application so as to settle my clients minds, as always please do not hesitate to contact me if you need any further information.

Many thanks

June
