Hi Sian,

Yes that's ok, you have my permission to change this to A4 to correct the scaling issue.

Also yes you have permission to label room floor plan, for use, as it is to be used as a summer house.

Thanks for your help resolving the issues.

Regards

Paul

Hi Paul

The plans are still at a slightly strange paper size. I have temporarily changed them to A4 and they measure to scale. With your permission I can amend the paper size for you permanently. The floor plan also needs a room label please confirm if it is just being used as a summer house and with your permission I can add this room label for you.

Kind regards

Hi Sian

I have now got PDF copies from Oak Ridge Design, hopefully scaling works now.

Have a good weekend.

Hi Paul

Thank you for your email, CIL fine. The plan of the garage isn't measuring to scale its slightly off. Was it drawn at A4 or A3? Also a floor plan of the garage would be required which shows the windows and doors.

Kind regards

Sian

Hi Sian,

I have completed the CIL form, hopefully it's filled in correct ?

Do all the other documents that I sent yesterday meet what was required. Please let me know if you need more info.

Unfortunately the architect I had planned to use lost his job recently so I have had to submit all details and documents myself. So it's uncharted territory for me !

Regards

Paul

Dear Mr Hellyer

I have looked at your application and you would not be CIL liable however you need to still submit a CIL form, you would just answer 'No' to the relevant questions. If you require any more information please let me know the best time to call.

Kind regards

Sian

Hello Sian, I received an email from Neil Crowther asking for the following;

Block Plan

Please submit 1 electronic or 3 paper copies of a block plan at a scale of 1:500.

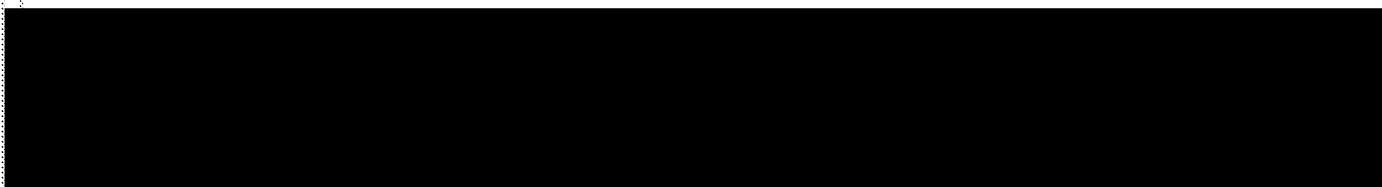

s must

Scale: You are required to submit proposed and existing scaled plans and elevations. Please submit these to a standard scale such as 1:100 or 1:50.

PDF: You are required to submit all plans are PDF documents.

Location Plan: You are required to include a red outline around the site on the location plan. Please amend.

Regards

Paul Hellyer
