Dear Mrs Honney Bayes,

I have attached 3 drawings to replace the equivalents sent earlier, which have very minor corrections. The Car park detail has been revised to show the correct preferred manufacturer, The Historic Wall Elevation and the Tree Survey have revisions to the scale. In all other respects the drawings are the same.

Bet wishes

Dear Mrs Ford,

Many thanks for your email.

Unfortunately the location plan and block plan could not be printed to scale. Please could you either re-send the plans or provide 3 paper copies of each plan, as I think it might be a problem with how the documents are scanned?

Kind regards

Mrs Honney-Bayes.

Dear Siobhan,

Attached are the revised location plan and block plan. A photograph of the historic wall is also attached, it collapsed last November.
so this is the best we have. It will be rebuilt similarly to the main section, but not as high.

I have printed out one full set of the plans to send to you. Is that enough?

The Heritage Statement and Tree Schedule will follow tomorrow.

Please let me know by e-mail if the plans are in order and if you require more than one set of the drawings.

Best wishes

Liz
