Subject: Homecroft House Application

Good afternoon

Further to our recent telephone conversation , please see below for the works requesting permission at Homecroft House from All Seasons Tree Surgeons

Removal of two lowest branches back to main stem which directly overhang the roof of Homecroft House
The reason for this request is because there is a large amount of debris falling onto the roof, and the overhang allows access to the roof for squirrels which in turn is causing damage.

Can you please confirm that you have received this email and the application has been validated.

Kind regards

Steve Wilson.
