Technical Support Unit on extn. 37711

22nd May 2019

Dear Mr Stephen Kus

**Development:**

Replacing rotten wooden windows. The current windows are rosewood wood and will be replaced with the same colour rosewood, wood affect PVCu double glazing. The damage to some of the current windows would require a complete refit. The mews complex has also been subject to break ins and requires more secure window fittings. There has also been a problem with mould growing around the wooden windows, and the features of the new windows will help eliminate this issue.

**Location:**

The Mews 1 - 6 Mead Lane Bognor Regis
