Dear Mr Pulleyblank

Following on from our telephone conversation please can you complete the enclosed application form. You need to complete your address in section 1 as this is where we will send everything, leave section 2 blank and section 3 is the address of the property where the trees are. You then need to complete all of the rest of the form as appropriate. From what you have submitted it looks like you wish to fell one sycamore in front garden to create space for parking and one sycamore in rear garden as tree roots are growing into pipes. If my understanding is correct you need to put this in the description section 7 or whatever is the correct description if this is not correct..

Once you have filled in the rest of the form signed and dated it please can you post the form back to the Arun Civic Centre, Maltravers Road, Littlehampton BN17 5LF. We have your sketch plan and the email about the drains so you do not need to send them again.

Yours sincerely

Nicola Spencer
Technical Support Manager
