Pagham Harbour Management Contribution Legal Agreement and Fee

As your proposal is for the creation of residential units within Pagham Harbour Buffer Zones A & B, you are required to provide a completed and signed unilateral undertaking legal agreement as part of your planning application submission together with the appropriate legal checking fee. This is a Local Validation Requirement and the purpose of this agreement is to secure the required Pagham Harbour Management contribution. Please can you also provide the contact phone number and email address for all of the parties who have signed the agreement so that the legal team can contact them direct if there is an issue with the agreement.

Where the information requested above relates to a local validation requirement, you may request that the requirement is waived. The information requested should be reasonable having regard to the nature and scale of the proposed development and about a matter which it is reasonable to think would be a material consideration in determining the application. If you do not feel this is the case, you can serve a notice on the Council, specifying which particulars or evidence you do not consider meet this test of reasonableness. You must state which items you disagree with and set out the reasons why you hold the view, please quote the application reference in your letter or email. The Council will then consider your case and respond. It should be noted that there is no right to challenge the national requirements as these requirements are contained in planning legislation.

If providing additional documents or information, please email it to: planning.responses@arun.gov.uk with a covering email clearly explaining what is being provided. Do not resubmit it via the planning portal as we receive all the original information plus any amended information and it is not clear what has changed. Please provide the above by **1st October 2025**. If this information is not received by this date, I will close the file as incomplete and where a fee has been paid, will retain £40.00 (or the entire fee, if less than £40.00) to cover the cost of administering the return. Once closed, if you wish to continue you will have to submit a fresh application.

If this letter has crossed with you providing the information, please ignore it.

Yours sincerely

Neil Crowther
Group Head of Planning
