Dear Mrs Johnson,
I am afraid that im a little confused by what is required.
I have drawn the red line along the border of the four properties, which runs parallel with the A29, because this is where where we wish the fence to be built.
This will be in the exact same spot as the previous wall which formed the properties boundary.
I hope this clarifies the situation ,if not, please let me know and i will endeavor to provide you with the information you require.

Many thanks for your continued help.
Paul Collins

Mr Collins,

There is no need to apologise…We are here to help.

I still can't tell where the fence will be located…maybe a double black line, so it does not look like the property boundary???

Thank you,
Mrs Johnson

Dear Mrs Johnson,
Please accept my apologies I forgot to highlight work site. I have attached update.
Thanks for your patience.
Paul Collins

Mr Collins,

The site plan is fine now.

Can you please clearly mark on block plan where the proposed works are located?

Thank you,
Mrs Johnson

Dear Mrs Johnson,

Many thanks for your email.
Please find attached the updated plans with a named road on block plan and site plan.
I have also changed the red border as requested.

Many Thanks
Paul Collins

Mr Collins,

Thank you for the plans.

The Location plan needs another named road and please red edge the entire site, without the red edges within the site. Just red edge the four properties as one big site.

The block plan needs one named road.

Once this has been sent to me, I will be able to validate your application.

If you have any questions, please do not hesitate to contact me.

Thank you,
Mrs Johnson

Subject: Planning application REF:-BR/166/14HH

Dear Mrs Johnson,
Following my telephone call to you on 11/07/14, please find attached the information that you requested.

In place of wall:
To: Supply and install approx 34 LM of 1.8m high timber (Douglas Fir) sound deflective fencing with capping rail and gravel board, fencing constructed using 150 x 22mm boards set side by side with 75 x 25mm timber board fixed over join, all boards fixed to 3no 100 x 50mm timber rails using ringed nails, 200 x 50mm gravel board to be set 50mm in ground to minimize ground level noise, all installed using 125 x 125mm timber posts with **Postsaver*** bitumen sleeves fitted and set at 3m centers in concrete 600mm in ground.

May i take this opportunity to thank you for your help and advice regarding this planning application.
I hope i have supplied all the relevant information but please do not hesitate to contact me if this is not the case.

Yours sincerely
Paul Collins
