Further to the additional information on the proposed electric vehicle charge point to be installed which was sent to me directly, I can confirm that based on this information I am now able to recommend discharge of condition 7 - charging of electric vehicles.

Joanne

Please note my normal working days are Wednesday, Thursday and Friday.

Dear Joanne,

Thank you for your email.
I can confirm it will be the 7.2kw.

Kind Regards

Shaun Theron

Dear Shaun

Thank you for the extra information. I see from the charger specification that the charger comes in two charging speeds either 3.6kW or 7.2kW. In order to recommend discharge of the condition we would need confirmation that the 7.2kW version (product code EVHS2020) will be installed at the site.

Joanne

Please note that I work part time, usually between 09.30 and 14.30 Tuesday – Friday, although this varies during school holidays.

Joanne Lewis

Senior Environmental Health Officer,

Good Evening,

Apologies for not attaching the correct information required please find attached information for the car charging point and a plan showing its location.

Kind Regards

Shaun Theron
