For the attention of Nicola Spencer.

Further to your recent message, please find attached the S106 agreement that should be used for application BR/168/17/PL, which should be the same as the one submitted online as part of the planning application documentation. This is similar to the agreement used for the previous scheme on the same site for three apartments (ref BR/336/16/PL), but it has been updated and amended to suit the new proposals. It also includes some additional wording relating to the possible non-implementation of the previously approved scheme.

Please let me know if you have any comments or questions relating to this.

Thanks,

Phil.
