Subject: Unilateral Undertaking 2 Wellington Road Bognor ref BR/168/19/PL

Dear Sirs

I act for the owner of the above property in the matter of the Section 106/UU for the above reference,.

The deadline for getting this document to you is 18th June however the document needs to be signed by the chargee on the Title which is Handelsbanken. I suspect therefore that I may not get this document back to you by the 18th June. Can I request an extension please in order that I may have more time to return the document signed and dated back to you?

Many thanks

Best regards
