Dear Andrew,

Environmental Health does not have any objections in principle to this application. Please could you place the following conditions on any permission given:

1. 1. The use of the premises shall be restricted to the hours of 9.00 to 17.00 Mondays to Fridays, and 9.00 to 17.00 on Saturdays, and the premises shall not be used at any time on Sundays and Public Holidays.
2. The use of the premises shall be restricted to use as a hairdressers only.

I have included Condition 2 as I have concerns that should the applicant wish to expand her business in time, specifically if this were to include nail bar, this would be likely to cause problems with odour as it is situated in a residential area.

Regards

Fiona
