To Janice Chapman

Sorry! but I forgot about the 2 sun tunnels in the roof. I have added the East side elevation to the plan.

The outbuilding will be used for storing my bicycles, windsurfing gear, lawnmower and general things one would store in a shed.

Matthew Lilley

Dear Mr Lilley,

I am the case officer dealing with the above application. From a site visit recently carried out can you confirm what the outbuilding is to be used for. The submitted plans for the east side elevation are incomplete as they do not show the 2 no. sun tubes that have been installed in the roof.

Please amend plans accordingly.
