I'm writing to object against planning permission for 17Annandale Avenue Bognor Regis,as it will have a negative impact on us as neighbours with close approximaty to our own garden as it will allow the direct view on our property with new windows and doors ,also will create excessive shadows,noise pollution and inability to use our own garden or open our windows because of excessive noise and dust pollution.We have a detrimental illness in the family and the building work will prevent us to use our own garden or open the windows as well as noise pollution.Please,take all this into consideration.Regads,Irene Liddy.
