Dear Alex,

Thank you for providing the amended plans. However, the first block plan is incorrect whereas the second one submitted is correct. Please confirm we can delete the one that's incorrect. Along with this, the elevations must be submitted in PDF format with a stated scale and scale bar. Please review and amend accordingly.

Kind Regards

Ms Malik

Dear Alex,

Thank you for providing the additional information. However, this application is still invalid as the location plan is too old and the signatures need removing. Please amend.

Kind Regards

Ms Malik

Hello Ms Malik,

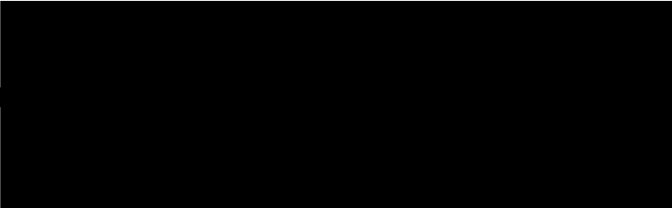

Please find attached a number of advised amendments to my planning permission application and below for an overview of the updates:

- Scale bars added to plans.
- Location plan - It wasn't stated what was incorrect with regards to this document which is a direct scan from the document I received when purchasing the house from my solicitor. Please advise what additional information you need.
- Page1 of block plan shows dimensions outlaid by Arun, This is translated to a 1:200 scale on the following pages. I've also added written dimensions on these pages for extra clarity.
- I'm happy to have the description adjusted to "ERECTION OF AN OUTBUILDING FOLLOWING DEMOLITION OF EXISTING OUTBUILDINGS". Is there another portal on the Arun website that I do this or were you only after my written permission to update yourself? Please advise.
- Attached CIL form 1.

I hope my application now satisfies the requirements. Please let me know if this is not the case.

Best Regards.

Alex

Dear Alex,

Thank you for providing the additional information. However, this application is still invalid as there are no scale bars on the plans, the location plan is incorrect, a block plan with dimensions is required, the description needs amending and a CIL form 1 needs to be submitted. Please review.

Kind Regards

Ms Malik

Hello,

Apologies for the late response. Please be aware your last email did not contain a "respond by" date. I'm hoping I'm within the standard guidelines.

I read the referenced documents and have made a number of amendments that I believe covers the the requirements under block and location plan. Please could you review and let me know if there is anything specific missing?

Thanks in advance for your support,

Alex
