Dear Daun

I refer to your letter of 6th August 2020 in respect of the above. I herewith provide you with the other requested details comprising:

- Proposed south elevation with labelling added;
- Floor plans and elevations of the proposed cycle/storage sheds; and
- A Drainage Statement, which deals with how surface water is being disposed.

I also now provide you with an amended S106 which includes the current planning application reference. I have liaised with Caroline Perry and Sofina Ahmed in the Council's legal department, and they have confirmed that given that the only revision to the draft S106 to that previously submitted is the different application reference, then no further checking fee payment is required in this case. I understand that this has also be agreed with the Planning Department in this case.

I trust that this is all satisfactory, and you can now proceed to validate the application. I look forward to receiving your confirmation of this.

Best regards,

TIM RODWAY
