Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: BR/176/20/PL
Site Address: Ravenna Richmond Avenue West Bognor Regis PO21 2YG
Description of works: Erection of a new building comprising of 3 No apartments (2 No 2 bed units & 1 No 1 bed unit) including alterations to the fenestration of the existing building. This site is in CIL Zone 4 (Zero Rated) as flats.

Thank you for your internet representation made on 6th December 2020 which has been recorded as an objection with the comments as follows:

OWPC31961

I Object to further development being considered on the land surrounding Ravenna House. The house is used as HMO, but is poorly managed, the tenants are loud and cause late night nuisance to the neighbours of this otherwise quite neighbourhood. The area and land belonging to Ravenna House looks neglected, the gardens are not maintained, the fence and building itself is dilapidated and requires major refurbishment to bring it in line with the neighbourhood. There is insufficient parking for the residents of the Ravenna house already resulting in the cars being parked along the road causing obstruction and access to other houses. The access for any emergency vehicles like fire engines has in the past been restricted. The owner should first look to bring this building to better state of repair and refurbishment and not add more building in this small area of land.

Your views as made above will be considered before the application is determined.
