CONCLUSIONS

PRINCIPLE

The proposed development is situated within the Built up area boundary where the principle of development is acceptable subject to accordance with relevant development plan policies. As stated in SDSP2 the key policies considered are DDM1 and DDM4 of the Arun Local Plan.

DESIGN AND VISUAL AMENITY

The proposed extension is situated on the front elevation, however it is single storey in design and visually integrated to the existing main dwelling and as such it is not considered obtrusive in the street scene. The materials used will match that of the existing dwelling and it is considered that the development will not have any unacceptable adverse impacts upon the character of the area and will accord with the DDM1 and DDM4 of the Arun Local Plan. Bognor Town Council has a 'made' Neighbourhood Plan however none of the policies are considered relevant to this application.

NEIGHBOURHOOD RESIDENTIAL AMENITY

The proposed single storey front extension will be a depth of approximately 2.35m, 5.36m in width and with a height of approximately 3.58m. The proposed extension will be situated approximately 0.22m from the Western boundary. The neighbouring property at 1 Burngreave Court, features a window at ground floor level on the southern elevation. However, it is considered that the proposed development will not result in any harmful overbearing, overshadowing and overlooking impacts upon the neighbouring residential amenity and therefore in accordance with policies DDM1 and DDM4 of the Arun Local Plan.

SUMMARY

The proposed development is deemed to accord with the relevant development policies and as such is recommended for approval subject to the following conditions and informatives.

The Council is also permitted to control the use of property in accordance with the general interest and the recommendation for approval is considered to be a proportionate response to the submitted application based on the considerations set out in this report.
