F.A.O. Finlay Gardner,

Further to your earlier e-mail please find attached amended planning drawings showing an additional window to the side extension bedroom as requested.

I trust the above is sufficient however should you have any queries then please do not hesitate to contact me.

Dear Mr Phebey,

The issue that we find with the sky light is that it is not direct light into the bedroom, the way we would see to overcome this is to have a window in the dressing room, is this a possibility?

Kind regards
Finlay Gardner

Further to your e-mail below I can confirm that the plans currently show a roof light to dressing room. I have attached the floor plans and elevations for your information.

I'm assuming this would be sufficient for daylight and ventilation purposes.

Many thanks

Dear Mr Phebey,

I have recently taken over your application BR/178/19/PL (Delawarr House, Flat 1). I am emailing with a few questions about the proposed plans. In the larger flat the bedroom appears to not have any direct access to daylight. Would there be a possibility of a window in the dressing room? Any information you can give me will be greatly appreciated.

Kind regards

Finlay Gardner
