Dear Mr Tugce ,

There is no planning application for a change of use of the first floor flat for a commercial use as such you have to ask for a change of use (via planning application) to be considered as such not just 'inform us'.

Kind regards

Maria

Dear Maria Tomalova,

This email is for the planning application ref: BR/17/22/PL, submitted for 91 Hawthorn Road Bognor Regis PO21 2BE.

I would like to inform you that the building is not residential but commercial and there will be a stock room/ staff room on the upper floor levels. Therefore, there will be no need for acoustic assessment as the premises is not residential (including upstairs as well), so no need to be noise sensitive.

Kind Regards
Tugce
