Dear Ms S Leeson

Re: 166 - 168 London Road, Bognor Regis

Please find enclosed completed DEV 30 forms for the above two properties. In truth the form is largely not applicable to these properties.

We would note that the premises at 166, London Road are ceasing trading sometime in July. With regards Mayfield Kitchens as we have stated the aim is to relocate the business in more suitable premises locally.

However we trust that this will now enable you to register the application. Should you have any further queries, please do not hesitate to contact myself.

for The Seaman Partnership Ltd
