Further to our last conversation and with reference to the applications above, please can you replace the previously submitted site plan drawing in each application with the latest site plan drawing 02H so that each application can be approved with the current site plan.

Copy of 02H attached.

Should you require any further information, please do not hesitate to contact us.

Regards

Matthew Haley BA(Hons) Dip Arch

Dear Matthew,

I wasn't expecting this amendment and I just wanted to check that it all still works in respect of the other two applications as per your email to me of the 25th August?

Dear Simon

Land to the rear of No.6, Ockley Road, Bogna Regis, PO21 2HW

Planning Application – BR/239/17/NMA

With regards to the above application submitted on 18/08/2017 please find the attached drawing 02_Rev H_Site Plan, which is to replace the previous drawing 02 Rev G which was submitted with the application.

The changes to this revised drawing include the removal of the side pedestrian access gate (the pedestrians can use the main gates) and the addition of pillars either side of the electric gates to allow for more space behind the moving elements which is a safety requirement.

Please let us know if you require any further information or if this causes any other issues.
