BR/185/25/L

The Royal Norfolk Hotel The Esplanade Bognor Regis PO21 2LH

Listed building consent for the installation of 101 solar panels across roof.

Further comments:

I have reviewed the revised plans and consider the amendments to the front elevation to represent an improvement over the original scheme. The removal of visible solar panels from the front elevation will reduce their impact on the character and appearance of the building when viewed from the public realm.
