LEGISLATIVE BACKGROUND

Section 192(2) of the Town and Country Planning Act 1990 states:-

If, on an application under this section, the local planning authority are provided with information satisfying them that the use or operations described in the application would be lawful if instituted or begun at the time of the application, they shall issue a certificate to that effect; and in any other case they shall refuse the application.

In this instance the proposed works will be assessed against the Town and Country Planning (General Permitted Development)(England) Order 2015 (as amended).

- Class A, which pertains to the enlargement, improvement, or other alterations to a dwellinghouse.
- Class E, buildings etc incidental to the enjoyment of a dwellinghouse.

Provided the proposed works satisfy the relevant criteria, and that no restrictive conditions to development have been imposed on the site, the proposed works will constitute Permitted Development and would not require planning permission. If the works fail to accord with the criteria then planning permission will be required for them to take place.

CONCLUSION

The proposed car port is considered to fall under Schedule 2 Part 1 Class A of the Town and Country Planning (General Permitted Development) (England) Order 2015.

A.1 Development is not permitted by Class A if

(a) permission to use the dwellinghouse as a dwellinghouse has been granted only by virtue of Class M, N, P or Q of Part 3 of this Schedule (changes of use);

(b) as a result of the works, the total area of ground covered by buildings within the curtilage of the dwellinghouse (other than the original dwellinghouse) would exceed 50% of the total area of the curtilage (excluding the ground area of the original dwellinghouse);

(c) the height of the part of the dwellinghouse enlarged, improved or altered would exceed the height of the highest part of the roof of the existing dwellinghouse;

(d) the height of the eaves of the part of the dwellinghouse enlarged, improved or altered would exceed the height of the eaves of the existing dwellinghouse;

(e) the enlarged part of the dwellinghouse would extend beyond a wall which

(i) forms the principal elevation of the original dwellinghouse; or

(ii) fronts a highway and forms a side elevation of the original dwellinghouse;

(f) subject to paragraph (g), the enlarged part of the dwellinghouse would have a single storey and

(i) extend beyond the rear wall of the original dwellinghouse by more than 4 metres in the case of a detached dwellinghouse, or 3 metres in the case of any other dwellinghouse, or

(ii) exceed 4 metres in height;

(g) until 30th May 2019, for a dwellinghouse not on article 2(3) land nor on a site of special scientific interest, the enlarged part of the dwellinghouse would have a single storey and

(i) extend beyond the rear wall of the original dwellinghouse by more than 8 metres in the case of a detached dwellinghouse, or 6 metres in the case of any other dwellinghouse, or

(ii) exceed 4 metres in height;

(h) the enlarged part of the dwellinghouse would have more than a single storey and

(i) extend beyond the rear wall of the original dwellinghouse by more than 3 metres, or

(ii) be within 7 metres of any boundary of the curtilage of the dwellinghouse being enlarged which is opposite the rear wall of that dwellinghouse.

(i) the enlarged part of the dwellinghouse would be within 2 metres of the boundary of the curtilage of the dwellinghouse, and the height of the eaves of the enlarged part would exceed 3 metres;

(j) the enlarged part of the dwellinghouse would extend beyond a wall forming a side elevation of the original dwellinghouse, and would

(i) exceed 4 metres in height,

(ii) have more than a single storey, or

(iii) have a width greater than half the width of the original dwellinghouse; or

(ja) any total enlargement (being the enlarged part together with any existing enlargement of the original dwellinghouse to which it will be joined) exceeds or would exceed the limits set out in sub-paragraphs (e) to (j);

(k) it would consist of or include

(i) the construction or provision of a verandah, balcony or raised platform,

(ii) the installation, alteration or replacement of a microwave antenna,

(iii) the installation, alteration or replacement of a chimney, flue or soil and vent pipe, or

(iv) an alteration to any part of the roof of the dwellinghouse.

A.2 In the case of a dwellinghouse on article 2(3) land, development is not permitted by Class A if

(a) it would consist of or include the cladding of any part of the exterior of the dwellinghouse with stone, artificial stone, pebble dash, render, timber, plastic or tiles;

(b) the enlarged part of the dwellinghouse would extend beyond a wall forming a side elevation of the original dwellinghouse; or

(c) the enlarged part of the dwellinghouse would have more than a single storey and extend beyond the rear wall of the original dwellinghouse.

(d) any total enlargement (being the enlarged part together with any existing enlargement of the original dwellinghouse to which it will be joined) exceeds or would exceed the limits set out in sub-paragraphs (b) and (c).

A.3 Development is permitted by Class A subject to the following conditions

(a) the materials used in any exterior work (other than materials used in the construction of a conservatory) must be of a similar appearance to those used in the construction of the exterior of the existing dwellinghouse;

(b) any upper-floor window located in a wall or roof slope forming a side elevation of the dwellinghouse must be

(i) obscure-glazed, and

(ii) non-opening unless the parts of the window which can be opened are more than 1.7 metres above the floor of the room in which the window is installed; and

(c) where the enlarged part of the dwellinghouse has more than a single storey, or forms an upper storey on an existing enlargement of the original dwellinghouse, the roof pitch of the enlarged part must, so far as practicable, be the same as the roof pitch of the original dwellinghouse.

The proposed outbuilding is considered to fall under Schedule 2 Part 1 Class E of the Town and Country Planning (General Permitted Development) (England) Order 2015.

E. The provision within the curtilage of the dwellinghouse of

- (a) any building or enclosure, swimming or other pool required for a purpose incidental to the enjoyment of the dwellinghouse as such, or the maintenance, improvement or other alteration of such a building or enclosure; or
- (b) a container used for domestic heating purposes for the storage of oil or liquid petroleum gas.

Development not permitted

E.1 Development is not permitted by Class E if

- (a) permission to use the dwellinghouse as a dwellinghouse has been granted only by virtue of Class M, N, P, PA or Q of Part 3 of this Schedule (changes of use);

- (b) the total area of ground covered by buildings, enclosures and containers within the curtilage (other than the original dwellinghouse) would exceed 50% of the total area of the curtilage (excluding the ground area of the original dwellinghouse);

- (c) any part of the building, enclosure, pool or container would be situated on land forward of a wall forming the principal elevation of the original dwellinghouse;

- (d) the building would have more than a single storey;

- (e) the height of the building, enclosure or container would exceed

- (i) 4 metres in the case of a building with a dual-pitched roof,
 - (ii) 2.5 metres in the case of a building, enclosure or container within 2 metres of the boundary of the curtilage of the dwellinghouse, or
 - (iii) 3 metres in any other case;

- (f) the height of the eaves of the building would exceed 2.5 metres;

- (g) the building, enclosure, pool or container would be situated within the curtilage of a listed building;

- (h) it would include the construction or provision of a verandah, balcony or raised platform;

- (i) it relates to a dwelling or a microwave antenna; or

- (j) the capacity of the container would exceed 3,500 litres.

E.2 In the case of any land within the curtilage of the dwellinghouse which is within

- (a) an area of outstanding natural beauty;
- (b) the Broads;
- (c) a National Park; or
- (d) a World Heritage Site,

Development is not permitted by Class E if the total area of ground covered by buildings, enclosures, pools and containers situated more than 20 metres from any wall of the dwellinghouse would exceed 10 square metres.

E.3 In the case of any land within the curtilage of the dwellinghouse which is article 2(3) land, development is not permitted by Class E if any part of the building, enclosure, pool or container would be

situated on land between a wall forming a side elevation of the dwellinghouse and the boundary of the curtilage of the dwellinghouse.

Interpretation of Class E

E.4 For the purposes of Class E, "purpose incidental to the enjoyment of the dwellinghouse as such" includes the keeping of poultry, bees, pet animals, birds or other livestock for the domestic needs or personal enjoyment of the occupants of the dwellinghouse.

The proposed car port complies with relevant sections (a)(b)(c)(d)(e),(f),(i)(j)(i)(ii)(iii)(k) and is considered permitted development and as such does not require the submission of an application for full planning permission.

The proposed outbuilding complies with relevant sections (a),(b),(c),(d),(e),(f),(g),(h),(i),(j) and is considered permitted development and as such does not require the submission of an application for full planning permission.

The property known as 50 Orchard Way is a detached two storey property and is not listed or within a Conservation Area.

Examination of the site history has no revealed no restrictions of Permitted Development.
