Hi Nick,

Can you agree to a change to the description of development to state up to 10 dwellings. This will make it easier to approve this application as we can just concentrate on the principle of development and leave the detail to a reserved matters. I am thinking changing to the following:

“Outline application with all matters reserved for up to 10 No. new dwellings with associated services, landscaping, car parking & amenity (resubmission following BR/49/19/OUT).”

Or, if you want to leave some elements of the mix in then:

“Outline application with all matters reserved for up to 10 No. new dwellings consisting of flats and houses with associated services, landscaping, car parking & amenity (resubmission following BR/49/19/OUT).”

Can you let me know whether you agree and which you prefer.

Kind Regards
