Hi Simon,

Further to reviewing the additional information I have nothing further to add,

Regards

Bruce

Dear Simon

2-4 Waterloo Square Bognor Regis Ref BR/191/18/PL

Further to your request for further evidence please find attached a series of images and notes showing the state of the building. Please take this seriously as we remain concerned as Structural Engineers on the structural integrity and stability of the building given the amount of decay and corrosion.

We have copied in all concerned as we feel this is in the best interest of all concerned.

Regards

Phil Hamblin | Eng M.I.C.E. AMIStructE
