Hi Lee

If you answer 'no' or N/A to those questions, I will check it once its done and will offer any amendments if needed but most questions on there wont be applicable to you as it is just a window change.

Kind regards
Sian

Good Morning & thanks for your reply.

I'm just going through the form now and I wonder if you could give me some help? obviously as I just need to change windows, a lot of the form isn't relevant, can I just put not applicable in the boxes?

Many Thanks in advance, Lee
