This application sits well with the overarching aim of the newly adopted local plan in relation to Employment and Enterprise ...

"To strengthen Arun's economic base and provide local job opportunities by increasing, diversifying and improving the quality of employment within the District through the provision of appropriate employment sites, quality affordable accommodation and the development of business support and partnerships."

This development would bring long-term vacant space back into economic use, will lead to new high skilled non-seasonal jobs and businesses being created and bring footfall and spend into the town centre.

Economic Development are pleased to support this application.
