Promenade Opposite Clarence Road The Esplanade Bognor Regis

Thank you for your internet representation made on 21st July 2017 which has been recorded as '**an objection**' with the comments as follows:

Arun District Council, I am against the proposed planning (BR/194/17/PL) based on some of the aspects Arun have referred to. Should the building only be suitable for North Facing elevations DUE THE DOORS being self closing and the South Westerly winds are part of the cause THEN IS BUILDING IS NOT FIT FOR PURPOSE thats before Arun (Rate Payers) have PAID for it?

As early as the 1900s Bognor then later Regis were blessed with bathing huts for all to use with DIGNITY ALL the bathing huts had doors facing SOUTH away from the eyes of those who were resident on the Esplanade, NO mention of Westerly Winds oh Please do NOT mention Climate Change!! Most of Bognor Regis Winds now come from the East and have done for considerable number of years.

This proposal in its current form is flawed, Arun think outside of the Box and not PUT a BIT HERE and a BIT THERE for the sake of saying we have spent £280000.00 of Rate Payers Money less any Finance Help.

Also Bognor Town Council must have some thought on the proposal or are they JUST pleased Bognor are considered for Toilets?.

Your views will be considered before the application is determined and I shall write to inform you of any decision made.

Please be aware that if the application is to be determined by the Council's Development Control committee and your letter has been received at a late stage after the Agenda has been published you will not receive a separate letter notifying you of the date of the meeting and procedures for public speaking. In such circumstances it is recommended that you track the progress of the application on the Council's website or telephone the Council for further information. Please be advised that any comments you make that are not included within the Committee Agenda will be reported to the Members of the Development Control committee. Please also be aware that only a small number of all planning applications received go to the Development Control Committee. Most are determined under delegated powers by Officers in which case your comments will again be considered before the application is determined.

Please be aware that Planning Services operate an 'open file' policy and will publish details of your comments on the internet on the Arun District Council Planning section. Please ensure that you only provide information that you are happy will be made available in this way. If you supply information belonging to a third party, please ensure you have their permission to do so. If you do

not wish your comments to appear on the 'open file' please confirm this in writing and I will arrange for it to be destroyed although this means that its contents will then be disregarded.

In the event of a subsequent written representations appeal, against a refusal of planning permission on a householder application, any representations made on the application will be automatically forwarded to the Secretary of State. Unlike all other types of appeal, there will be no further opportunity to comment at the appeal stage.

Yours faithfully
