Dear Mr Temple

OBJECTION to BR/194/17/PL

We believe the planned toilet block facing our building will spoil the visual impact of the promenade.

Today we look out on a prom with cafes, bandstand and Offshore office, all of similar design. We don't want to look at a block with toilets written large on it.

Dear Richard Temple

RE: BR/194/17/PL

I am writing with reference to the above planning application, and would like to raise my objection to the siting of the unisex toilet block.

As I already live opposite the foreshore office, I do not have any objection to a new beach office being sited in the same place, but find it unacceptable and repugnant that you propose to build an above ground toilet block so close and directly in front of residential apartments, with cubicle doors facing directly at the properties. Not only would we be subjected to an increase in the number of people in the vicinity whilst they queue, we could also be subjected to other inappropriate activities that seem to be associated with toilet blocks.

I also feel that the proposed location is very narrow for the multitude of different forms of promenade users, and proposes an unacceptable safety risk, especially to children, so close to the train route. I feel that placing them in a more central position or a wider part of the promenade would be far more suitable to accommodate everyone.

Once again, I feel that Arun Council has not thought things through properly, and do not have a care for the residents of Bognor Regis, and its regeneration.

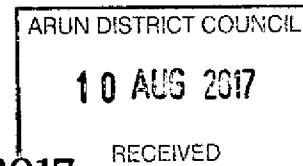

Yours sincerely

Dear Mr Temple

OBJECTION to BR/194/17/PL

I came to Bognor seafront on the understanding of outstanding views and quality. The Council plan to pull down the Foreshore office and replace it with a toilet block will completely ruin the seafront for me.

I do not want the view from my lounge or my balcony to include a toilet block. The Council promised regeneration. Is this it?

Yours faithfully

Dear Mr Temple

OBJECTION to BR/194/17/PL

I am worried about the affect on me and my visitors if the block of toilets is built. It will spoil this quiet residential area. A toilet block with all its comings and goings will be in full view and I wont be able to avoid it.

Yours faithfully

RECEIVED

DEAR MR TEMPLE,

OBJECTION TO BR/194/17/PL.

OUR TOWN, BOGNOR REGIS IS A TRADITIONAL RESORT AND THE EXISTING FORESHORE OFFICE, THE BANDSTAND AND OUR BUILDING SHARE THE EDWARDIAN FEATURES WHICH SHOULD ALL BE RETAINED. THE PROPOSED NEW TOILETS AND OFFICE WILL BE MODERN AND OUT OF CHARACTER.

SURELY IT WOULD BE A CHEAPER PROJECT TO REPAIR AND MODERNISE THE EXISTING UNDERGROUND TOILETS WITH LOCKABLE GATES AT THE TOP OF THE TWO STAIRS. IF THIS IS NOT SUITABLE CAN YOU MODERNISE AND EXTEND THE EXISTING TOILETS AT THE REGIS CENTRE WHICH IS ONLY 200 METERS UP THE ROAD. FAILING THAT, MODERNISE AND EXTEND THE TOILETS AT WATERLOO SQUARE WHICH IS MORE THE CENTRE OF THE TOWN.

TO HAVE THE GROUND FLOOR TOILETS JUST ACROSS THE ROAD FROM OUR FLATS WOULD BE AN ABSOLUTE EYESORE, THEY WOULD BE TOO CLOSE. HAVING THE TOILETS AT THE REGIS CENTRE OR WATERLOO SQUARE WOULD NOT AFFECT THE OWNERS OF NEARBY PROPERTY SO MUCH, AS THE DISTANCE WILL BE GREATER AND THEY WILL NOT BE DIRECTLY FACING THE NEW TOILETS.

THERE WILL PROBABLY BE NOISE AND DISRUPTION

P.T.O.

OF PEOPLE COMING AND LEAVING THE TOILETS AND AGAIN
THIS WOULD AFFECT US MORE AT THIS PREMISES.

FINALLY, OUR FLAT IS IN THE F BAND OF COUNCIL TAX
WHICH IS HIGH FOR THE AREA OF FLOOR SPACE OCCUPIED, SO IT
SEEMS TO US VERY UNFAIR FOR YOU TO PROCEED WITH YOUR
PRESENT PLANS BEARING IN MIND THE OTHER POINTS RAISED IN
THIS LETTER.

YOURS FAITHFULLY,
