Dear Mr Temple

OBJECTION to BR/194/17/PL

I object to the planning application to take down the Forshore office and replace it with two buildings.

I already look at the back of the Coffee Cup 'shed'. The customers look directly into my apartment. If a toilet block is built as planned, my view will be badly affected. My privacy will also be affected by not only the café customers but the toilet users who will look directly across at my windows

I thought the café was bad enough, but a toilet block is even worse.

Yours Sincerely

PAUL LOVE
