Dear Mr Temple

OBJECTION to BR/194/17/PL

I strongly oppose the above planning application. My apartment, like all my neighbours, faces the sea. My bedroom, dining room and living room overlook the prom. From the plans, I see the toilet block will be directly opposite. Not only is this distasteful, it will affect my privacy and be a disturbance.

I think it is outrageous to close the large number of underground toilets and replace them with so few at such a high cost. Many prom users stop to take selfies against the backdrop of my building. I doubt they will want to include a toilet block in their holiday pictures. Will the Council's publicity also still advertise Bognor Regis with our building when it has a toilet block in front?
