Dear

Thank you for your letter to Nigel Lynn dated 14 August 2017 regarding your constituent Mr James Howieson and his concerns about planning application BR/194/17/PL. This letter has been passed to me as Director of Place for response. I have now had an opportunity to investigate this matter and am able to provide the following information.

This planning application is at the public consultation stage and Mr Howieson has objected directly to this application. The planning application will potentially be heard at the 20 September Development Control Committee. Concerns raised in Mr Howieson's letter which are planning considerations will be addressed in the Officer's report which will be able to be viewed by the public prior to the Committee meeting. Objectors/supporters will also be able to speak at Committee if they wish.

I trust the above is helpful.

Yours sincerely,

Karl Roberts
Director of Place
