Hello Richard,

Yes, you can accept the plan as part of the application. We will start to request samples of the materials and hopefully we will have them for the committee.

Kind regards,

Dear Mr Cropper,

I am the case officer dealing with the above application.

I would like to request an amendment to the application to change the address to:-

“Promenade opposite Walton Avenue, The Esplanade, Bognor Regis PO21 1LX”

Would I be able to accept the plan (attached) sent by Ms Giannini as part of the application for committee purposes? Also, when taking this to committee we think it would be helpful to have a same of the wall and roof materials to show the members/public. If you could organise that I would be grateful.

I am aiming to take the application to 20th September development control committee and need to have my report cleared by Friday 1st September. I feel this should be possible.

Regards,
