Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town & Country Planning (Development Management Procedure) (England) Order 2015

Application No: BR/194/21/HH
Site Address: 21 West Street Bognor Regis PO21 1XA
Description of works: Erection of first floor home office above existing outbuilding. This application may affect the character and appearance of The Steyne, Bognor Conservation area.
This application may affect the setting of a Listed Building.

Thank you for your internet representation made on 29th September 2021 which has been recorded as support with the comments as follows:

OWPC40749

We are the owner occupiers of Richmond House, 27 The Steyne, PO21 1TX which is a Grade 2 Listed Building. The application site can be seen from the rear window on the top floor of our house. From reading the statement accompanying the application we believe that the proposed development will enhance the setting of our house and we support it. Sadler Street is untidy and a magnet for flytippers. A house at the rear of ours has been improved to a high standard (11 Sadler Street) and work is currently being carried out to the next door property (15 Sadler Street). Both these properties have recently been unoccupied and when people come to occupy them we would expect Sadler Street to become a much more pleasant residential environment. The proposed works to the application site will compliment this.

Your views as made above will be considered before the application is determined.

Some applications will be determined by the Planning Committee, and I shall write and inform you of the date of the meeting and the procedures for public speaking if this is the case. However, if your representation has been received after the agenda for the meeting has been finalised and the notifications have been generated, you will not receive notification. In this case, you will need to track the progress of the application on the council's website <https://www.arun.gov.uk/planning-application-search>

Any comments that are received after the agenda has been finalised will be separately reported to the members of the Planning Committee.

Regardless of how the application is determined I will notify you of the decision.

In the event of a subsequent written representations appeal, against a refusal of planning permission on a householder application any representations made on the application will be automatically forwarded to the Secretary of State. Unlike all other types of appeal, there will be no further opportunity to comment at the appeal stage.

Yours sincerely
