Response to Planning Application

From: Arun District Council Greenspace

Date: 08 October 2020

Application ref: BR/196/20/PL

Description: New 2 storey extension on first floor with loft floor & 8 No. new dormer windows (4 No. at front, 4 No. at rear), first floor rear extension (mansard floor) with 8 No. roof windows, alterations to ground floor shopfront & new access to upper floors for use for 10 No. residential units (5 No. 1 bed units & 5 No. 2 bed units) (resubmission following BR/83/20/PL). This application may affect the setting of a Listed Building and is in CIL zone 4 (Zero Rated) as flats.

Location: 25 Sudley Road Bognor Regis PO21 1EW

Determining Authority: Arun DC

Summary recommendation: Recommend **no landscape objection** to the proposals.

Comments

Relevant landscape designations:

The site is presently the setting of an existing premise, the proposal is to extend upwards within the existing footprint.

There are no physical, visual, historical or cultural links, protected landscapes, scheduled ancient monuments, conservation area or Historic Parks or Gardens associated with this site. This application may affect the setting of a Listed Building.

Response

The proposed site is an already developed footprint that sits within an already established retail, commercial and residential area with no established or protected green infrastructure within the footprint. There would be no effect on the street scene of these proposals.

This is a Non CIL liable development.

There would be no requirement or trigger for the provision of Public Open Space or Play on site with this development, but section 106 monies should be sought for recreation and leisure facilities as detailed in our SPD Open Space, Playing Pitches, Indoor and Built Facilities January 2020

This 10 flat development should generate $10 \times £1971.20 = £19,712.00$ for offsite POS as a 106 contribution

This 10 flat development should generate $10 \times £1730.30 = £17,300.00$ for offsite Play as a 106 contribution

Impact

The potential impact of the proposals would blend into the surrounding environment without the need for onsite green infrastructure.

Mitigation/requirements

No further onsite landscape mitigation, offsite 106 contributions for recreation and leisure facilities.

Recommendation/Conclusion

I would recommend **no landscape objection** to the proposals
