Good morning Matt

I'm afraid I still don't have enough information on the PL application to make a recommendation.

Could you please provide a current elevations plan so it is clear how the front and rear doors (and anything else not covered by the advert application) are changing? Also, on the floor plan there are no specifications for the new doors – the rear one says 'details to be confirmed' and I cannot see any mention of the entrance doors?

I think the problem is that everything was submitted for one application originally when it should have been one for advertising and one for planning.

Thank you

Samantha
