Dear Andy,

Thank you for providing the revised plan. However, as stated earlier the date on certificate A needs amending to a current date

Kind Regards

Iqraa Malik

Hi Iqraa

Will this be adequate.

Regards

Andy Higgins

Dear Andy,

You'll be pleased to know the elevations sent below do measure to scale. However, we require numbers on the scale bar. Please amend and then the application can be validated.

Kind Regards
Iqraa Malik

Hi Iqraa

i have enclosed both the word version and the pdf, unfortunately when i print them off the word version measures correct and the pdf incorrect so not sure what is going on with this your advice would be helpful

Regards

Andy Higgins

Dear Andy,

Thank you for providing the amended documents.

However, the fence elevations do not measure to scale. Please amend.

Kind Regards
Iqraa Malik

Dear Andy,

Thank you for providing the additional information.

However, this application is still invalid for the following reasons:

Fence Elevations: Please provide these in PDF format and with a scale bar.

Application Form: The date signed on Certificate A needs to be current, the date currently listed is from October.

CIL: The CIL form has been filled in wrong. The answer to question 2a) would be no and then you would have to skip to question 3 and continue from there. Please amend.

Crossover plan: The measurements listed do not measure to scale. Please review and amend accordingly.

Kind Regards

Iqraa Malik

Dear Andy,

Following our conversation earlier, I have attached a blank application form where you'll find a Certificate A at the end, a blank CIL form and examples of the fence elevations, splay plan and crossover. In regards to hand drawing the plans, 1cm= 1:100 so if the proposed fence is for example 1.4m by 1.6m it would be shown as 1.6cm x 1.4cm. Along with this, you'll be able to purchase a Location and Block Plan at the link below

https://www.planningportal.co.uk/homepage/4/buy_a_planning_map

Kind Regards
Iqraa Malik
