Dear David,

In relation to the above application, King & Drury Ltd.'s Construction Phase Plan (dated 27 June 2019) has now been reviewed. Whilst the content is predominantly satisfactory, before the condition can be considered for discharge, please may the developer confirm the following:

- the type of vehicles used during construction
- whether there will be any provision of wheel washing facilities (and if so, how this will be supplied)
- details of public engagement and liaison during construction works
- methods of monitoring and minimising noise and vibration
- details of any floodlighting (if applicable)
- details of the recycling/waste disposal scheme of site material

Many thanks,

Kate.
