Dear Mr Randell,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015
Approval of details reserved by condition imposed under ref BR/257/19/PL relating to Condition No 3 -
Construction & Environmental Management Plan
The Royal Hotel The Esplanade Bognor Regis PO21 1SZ

Notification regarding the above application:

Condition Number 3

No development shall take place, including any works of demolition, until a Construction & Environmental Management Plan has been submitted to and approved in writing by the Local Planning Authority (who shall consult with West Sussex County Council and the Councils Environmental Health Officers). Thereafter the approved Plan shall be implemented and adhered to throughout the entire construction period. The Plan shall provide details as appropriate but not necessarily be restricted to the following matters

- an indicative programme for carrying out of the works;
- the anticipated number, frequency and types of vehicles used during construction;
- the method of access and routing of vehicles during construction;
- the parking of vehicles by site operatives and visitors;
- the loading and unloading of plant, materials and waste, including permitted times for deliveries;
- the storage of plant and materials used in construction of the development;
- the erection and maintenance of security hoarding, including decorative displays and facilities for public viewing, where appropriate;
- the provision of wheel washing facilities and other works required to mitigate the impact of construction upon the public highway (including the provision of temporary Traffic Regulation Orders);
- Details of the arrangements for public engagement / consultation both prior to and continued liaison during the construction works;
- Measures to minimise the noise (including vibration) generated by the construction process to include hours of work, proposed method of piling for foundations, the careful selection of plant and machinery

- and use of noise mitigation barrier(s);
- measures to control the emission of dust and dirt during construction;
 - Details of any floodlighting, including location, height, type and direction of light sources and intensity of illumination; and
 - a scheme for recycling / disposing of waste resulting from demolition and construction works.

Reason: In the interests of the amenity of the occupiers of any nearby noise sensitive premises, the general amenities of the area and in the interests of highway safety in accordance with policies D DM1, QE SP1, QE DM1, QE DM2, QE DM3 and T SP1 of the Arun Local Plan and the National Planning Policy Framework. This is required to be a pre-commencement condition because it is necessary to have the site set-up agreed prior to access by construction staff. This was agreed by the applicant on the previous application ref BR/326/18/PL.

Decision:

Arun District Council have decided to **APPROVE details reserved by this condition**

Approval of details reserved by condition imposed under ref BR/257/19/PL relating to Condition No 3 - Construction & Environmental Management Plan

Environmental Health consider the construction management plan, site traffic management plan, risk assessment (27th June 2019) and response from the site manager (24th February 2020) satisfactory and that the condition can be discharged.

Please do not hesitate to contact the above officer if you require any further assistance.

Yours sincerely

Neil Crowther
Group Head of Planning
