Dear Sir/Madam,

**Town & Country Planning Act 1990 (as amended)**  
**Town and Country Planning (Development Management Procedure) (England) Order 2015**

Application No: BR/19/26/PL  
Site Address: Unit 18a Durban Road Bognor Regis  
Description of works: Scaffolding roof. This application is in CIL Zone 4 (Zero Rated) as other development.

Thank you for your internet representation made on 7th April 2026 which has been recorded as an objection with the comments as follows:

OWPC82588

We wish to object to the application for the roof structure. A roof will considerably reduce the amount of light available inside our premises - affecting our kitchen, toilets and office. In addition, we would be unable to open the windows on the adjoining side of our building for ventilation and fresh air. The floor in the yard of 18a Durban Road has a main sewage drain cover, which multiple business premises use and this needs to be accessible at all times in case of blockages. There is already insufficient parking for customers and a business at this location will congest this issue even more.

Your views as made above will be considered before the application is determined.
