Subject: APP BR/201/13/DOC 3 Marine Drive West, Bognor Regis - discharge of conditions 3, 4 & 6

Dear Mr Lowe,

I am the case officer for your application and I have just rung and left a voicemail. My query relates to the details supplied for conditions 03 & 04.

Condition 03 requires "..... details and samples of the materials to be used in the external surfaces, including hard surfaces". In respect of this, the DOC application only includes a colour brochure for wall cladding and a colour printed image of what appears to be hard surfacing (but is not clear). As far as I can see, no samples have been provided and there is nothing to explain which materials are for what. Your application form mentions a covering letter dated 16/08/13 but I do not seem to have that in the submission. *to follow*

Condition 04 is for both bin store and cycle storage details. However, the submission only contains a drawing for the cycle store and nothing in respect of the bin store. Also do I assume that the location of the cycle store is as per the previously approved layout drawing? I note that on that layout drawing there appears to be two cycle stores but no bin storage. *bin store within bldg.*

Please would you consider these matters and either call me to discuss on 01903 737874 or by email. I look forward to hearing from you.

Kind Regards
